

GOLF

Product Name: Golf

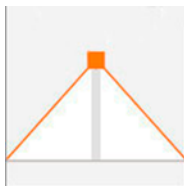

Product Code: GOLF-67284

Environment: Outdoor

Usage Area: Golf course etc.

Category: Professional Lighting

Mounting Type: Surface

• **OSA Lighting Techniques** offers indoor and outdoor lighting applications with different solutions in color and size in local production.

• Fixed golf field lighting pole is the easiest way for installation maintenance of lighting devices. Golf provides easy and safe maintenance/installation. The Lighting Pole rotates 90 degrees on its own axis with a mobile powered unit.

• System manages to move from a horizontal position to a vertical position without the need to use products such as cranes that will create damage in the field. We are able to move the masts 90 degrees by the mobile unit used. For this, we use hydraulic or pneumatic system depending on customer's preference.

GOLF

Housing: Die Cast Aluminum

Light Source: Led/Lamp

Operating Temperature: -20 to 85

Color: Electrostatic RAL

Distribution: Direct/Indirect

Warranty: 2 years

Diffuser: Glass or Acrylic

Driver: Electronic

Product Type:

- 1

Dimensions (mm):

- Width: 420
- Length: 435
- Height: 19780

Watt (W):

- 60W

Input Volt:

- 180-240V

Lumen/watt :125lm/W

- 6750

GOLF

Beam Angle: 120°

Color Temperature:

- 2700-6500 KI

CRI:

- >80CRI

IP Rating: IP65

Led Warranty: 5 Year
